LB 204, 230, 266, 275  
LR 250

SENATOR R. JOHNSON: Senator Carsten, it's my understanding what the members of this group of Nebraskans that are involved in the POW-MIA task force that they would like to have some form of a ceremony before the Legislature or the Governor to commemorate, not only those who have served, or in the armed forces and were captives, but also those young servicemen that are still missing in action and their families might be able to come here to the State Capitol for some ceremony.

SENATOR CARSTEN: If I may, Mr. President, would it not be appropriate that we perhaps recommend to the Executive Board, Mr. President, that in conjunction with or associated with this resolution that something on that order could be scheduled and worked out for a brief time at least before we adjourn? Thank you, Mr. President.

SPEAKER NICHOL: Thank you, Senator Cal Carsten, we will relay that information to Senator Rod Johnson so that he may so direct the committee. Thank you for your input, Senator Carsten. We'll move on to General File, LB 204.

CLERK: Mr. President, if I might right before we proceed with 204, Miscellaneous Subjects Committee, whose Chair is Senator Hefner, reports LB 230 to General File, 275 to General File and 266 as indefinitely postponed. Those are all signed by Senator Hefner who is Chair of the Committee, Mr. President. (See page 2012 of the Legislative Journal.)

Mr. President, 204 was considered yesterday by the Legislature. At this time...(read). At this time, Mr. President, I have no amendments to the bill.

PRESIDENT: The motion then is to advance the bill. Do I see any discussion? I see no lights. Senator Vickers, did you have anything to say on the bill?

SENATOR VICKERS: Mr. President, I would like to ask for the advancement of LB 204 because I think it is important that we recognize that the mechanisms that we've got in the statutes right now as far as veterinary medicine is concerned which indicates that we are going to enter into an agreement with other states for the Old West Regional College of Veterinary Medicine is a thing of the past, something that is not going to happen, and that the only logical direction to look, the only direction that we ought
